

EXECUTIVE BIOGRAPHY

Jenny Dawson

Jenny Dawson is the director for **CSC's** Global Brand Monitoring, Enforcement, and Anti-Fraud Operations teams. In her current role, she's focused on building a team of experts who will partner with our customers to provide exceptional industry leading brand monitoring, enforcement and anti-fraud solutions.

Jenny's specific passion is process improvement and challenging the status quo. Since joining CSC in 1998, she has helped form businesses, launch new brands, and led Sales and Customer Service teams. Under her guidance are nearly 100 team members spanning the U.S., U.K., Finland, Singapore, and Hong Kong. Her teams are made up of passionate industry experts who have specialized expertise in niche markets to provide clients with exceptional service and customized solutions to meet their constantly evolving cyber security needs.

Jenny is a graduate of the University of Delaware and started her career as an environmental scientist for Rollins Environmental, where she was a lead technical representative profiling and packing hazardous waste for disposal.
