

EXECUTIVE BIOGRAPHY

Patrick Hauss

Patrick Hauss is the deputy general manager for France, Spain, and the Middle East based in Paris. He's responsible for market development and key strategic initiatives. Patrick has held positions within major French companies including bank and telecom, where he oversaw the technology contracts negotiation process and was responsible for data privacy compliance, brand protection, and trademarks and domain names management. Patrick has a master's degree in intellectual property and IT law from the CEIPI in Strasbourg. He co-authored "Stratégies de nommage, sélectionner et sécuriser ses noms de domaine sur Internet." Patrick is also a member of CYBERLEX, the International Trademark Association (INTA), The International Association for the Protection of Intellectual Property (AIPPI), and the European Institute for Advanced Security & Safety (IESAS).
